Your uniqueness plays an integral role in how you develop and react to cancer. If cancer is as unique to a person as their DNA, **why would cancer treatments be the same for everyone?**

Guarantee Trust Life Insurance Company has partnered with TGen, a leading nonprofit medical research institute, to develop a revolutionary insurance policy currently not found anywhere else. GTL will provide access to and pay for TGen's world-class genomic sequencing services and individualized treatment recommendations to help give you the best shot at beating cancer.

Unlock the power of your DNA!
